The statements contained herein have not been evaluated by the Food and Drug Administration and are not intended to diagnose, treat or prevent any disease.

GlycoCarn[®] is a major active ingredient now appearing within the most currently updated scientific formulations of nutritional powders, capsules and beverages which claim to support maximal nitric oxide (NO) retention before, during and after strenuous workouts and muscle recovery. IF YOU ARE SERIOUS ABOUT RESULTS; check out our extensive and unique human clinical research on blood and biopsied muscle. Then: LOOK FOR THE GLYCO-CARN[®] GPLC NAME ON THE PRODUCT LABEL BEFORE YOU BUY!
